

We sincerely hope you can attend the October 2 NMFS/Clark County ESA workshop. Clark County Commissioners will be on hand to open the event. The daytime workshop for professional training will be held from 9:00 to 3:00. There will be an additional evening workshop designed for public education and participation that will begin at 6:30 and end at 9:00.

Coffee and other refreshments will be provided in the morning. Due to the scarcity of restaurants in the area, box lunches are available for purchase at \$7.50 per person. The choice of sandwiches include roast beef, turkey, ham and cheese, or vegetarian. Lunches also include chips, cookies, fruit, and your choice of beverage.

So that we can make proper arrangements with the catering service please contact Joni McAnally, Clark County ESA Administrative Assistant, at joni.mcanally@co.clark.wa.us or (360)397-2232 to indicate if you will be purchasing a box lunch and your choice of sandwich. Payment for the lunches will be accepted at the workshop.

For your convenience please find directions and a map to the Water Resource Education Center below.
